HP shall not be liable for technical or editorial errors or omissions contained in the tables above.

These list price adjustments are a result of HP's standard portfolio management process, in which HP regularly reviews pricing for all its products and makes adjustments accordingly.

The above will be applicable to all deals approved after April 1, 2017.

As a consequence of such increase, any customer deals which have been approved by HP prior to April 1, 2017 may be supported, as applicable, via the HP List Price Protection (PP) provision in the respective Program Terms, such as in the Supplies Big Deals (SBD), the Graphics Supplies Big Deal (GSBD) or in the Channel Managed Print Services (cMPS) Program Terms.

Please contact your HP Supplies contracted Partner or other HP supplies partner you purchase from for information regarding specific pricing and availability. All HP Partners are free to set their own resale prices.

HP is looking forward to continuing doing business with you.

Sincerely,

Your HP EMEA Large Format Printing Team
